Degree in Degree in Secondary School Certificate

CGPA: 9.8

Podalakur  
2019 - 2020

## SKILLS

---

Programming Languages: Java, Python(basics)

Libraries/Frameworks: Pandas, Numpy

Tools / Platforms: Github, V S Code

Databases: SQL

## PROJECTS / OPEN-SOURCE

---

### Justice Website | Link

Html5,CSS,Javascript,Python,SQL

Built a Justice Website featuring e-filing, lawyer assistance, document uploads, and real-time legal consultation.

Designed a secure authentication system for lawyer access.

Integrated an AI-powered chatbot for legal guidance.

### Womens Health and Wellness

Html5,CSS,Javascript,Python,mysql,Flask

Inadequate personalization can result in delayed diagnoses, ineffective treatments, and lower overall well-being.

Womens health issues like PCOS, endometriosis, and menopause often go underdiagnosed or mismanaged due to lack of specialized attention.
